Cashier instructions:

1. Scan all products in the order, including both cases of Staples Multipurpose Paper (#513096).
2. The customer must present the printable coupon or display the offer on their mobile device. Limit 1 coupon per household.
3. Enter or scan the bar code on the coupon only once. The bar code on the coupon is non-inventoried SKU #866957, which will trigger the rebate when entered in the same transaction with SKU 513096.
4. Provide the easy rebate instructions to the customer. Both case paper skus (#513096) and non-inventoried SKU 866957 must be in the same transaction to trigger the rebate.
